

REMARKS

Upon entry of the above amendment, the claims will be 24 to 46.

The above amendment corrects the dependency of the claims with the presentation of a new set of claims.

In this regard, claims 24 to 45 replace previous claims 1, 2 and 6 to 23, respectively.

New claim 46 does not correspond to a previous claim but is clearly supported by the specification and original claims, e.g. claim 18.

Favorable action is now requested.

Respectfully submitted,

Dominic WALSH et al.
